RESPONSE TO RESTRICTION/ELECTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Madam:

In response to the Restriction/Election Requirement dated April 14, 2005,

Applicants respectfully submit the following comments. Applicants elect Species A (Figs. 1-4c) pursuant to the Examiner's instructions and U.S.C. § 121. Claims 1-11, 13, 14, 17-20 and 24-32 read on this species.

However, Applicants respectfully traverse this Restriction/Election Requirement. At least independent Claim 1 is generic to and reads on all of the identified species. Furthermore, all but six claims read on the elected species. Thus, there is no basis for the Restriction/Election requirement.

In accordance with 37 CFR § 1.141, if Claim 1 is allowed, Applicants respectfully request examination of all remaining claims 12, 15, 16 and 21-23, since by definition, they are allowable based on an allowance of Claim 1. Furthermore, the Election Requirement should be withdrawn as all remaining species are encompassed by at least Claim 1.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Samuel E. Shehadeh', written over a horizontal line.
